

Parakram 2026 – Carrom Doubles

1. The event will be open to all, irrespective of gender.
2. A team can enter the competition only once.
3. The event will be conducted in a knockout format. In the case of byes, the byes will be given on a first-applicant basis, i.e. those who have applied earlier will be given byes to the next round.
4. Official International Carrom Federation rules will apply in the game.
5. The side will be decided mutually by players or by a toss.
6. The player winning the toss will get white and the opening break. The player can choose to take black and give up the opening break to the player who lost the toss.
7. All matches up to the semi-finals and finals will be single-round matches. The player clearing the board first will be the winner.
8. The semi-finals and finals will be 15-point matches. The scoring will be done according to the international carrom rules.
9. Players are also advised to read ICF carrom rules carefully.
10. Rules and penalties regarding illegal play and player behaviour will also apply.
11. If a player is not available to play a match, no adjustments would be made, and the opponent, if available, would move on to the next round.
12. In all cases, the decision of the referee will prevail.
